

Cornish Conservation Commission

Minutes of Wednesday, January 14, 2009, Unapproved

Present: Loel Callahan, Linda Fuerst, Bill Gallagher (Chair), Betty Miller, Rickey Poor, Don Snowden, Jon Woodhull

The Commission met to plan for the public hearing on use of the Conservation Fund to match LCHIP funding to protect the Fitch Farm and East Woods. The hearing will take place on January 28 at 7 p.m. prior to the Commission's next regular meeting. Betty will put notices in the Valley News, Eagle Times, around town, and through ConnectCornish. The Selectmen are expected to vote on this as well. Handouts to be available at the hearing were discussed and various individuals offered to take on specific responsibilities.

Respectfully submitted,
Betty Miller
