

Public Notice ~ Request for Proposals

The Cornish School District is seeking proposals from **Mechanical Engineers** who specialize in energy efficiency projects to implement the **Projects** referenced in the Jordan Institute Building Energy Assessment Report dated September 21, 2009. Proposals are to include all parts of the Jordan Institute Report. Alternatives for heating solutions will be considered. Proposals are not to be restricted by the report. Contact Mary Bronga, Principal, Cornish Elementary School, at 603-675-5891 to arrange for a visit of the facility. Contact Louise Schultz at 543-4200 to obtain a copy of the report. Please send detailed proposals showing costs, work scope, certificate of insurance, three (3) recent references, and professional qualifications in a sealed envelope to: Cornish School District, Attn: Allen Damren, 165 Broad St., Claremont, NH 03743. Proposals are due no later than **3:00 pm, Friday, April 23, 2010**. The Cornish School Board reserves the right to reject any or all proposals and/or alternates (if any), to waive any informalities, and to take any other action in the School District's best interest.
