September 20, 2010 6:30 pm

Present: John Hammond, Troy Simino, Larry Dingee

17. Mike Reynolds came in to pick up his signed Intent to Cut # 30. He stated that he had received and filled out a driveway permit.
18. Met with Mark Stetson from Avitar. He informed the Selectmen on the work to date.
19. Art Holmes came in to discuss the history involving the Selectmen in the purchase of his lot on Center Road. He will come in again on September 24, 2010 at 2:00 pm.
20. Stanley Santaw from Jackson Road came in to get Building Permit # 323 for an above ground swimming pool.
21. Merilynn Bourne came in to explain her recollections of the discussions the Board of Selectmen had held at the time when Art Holmes bought his lot on Center Road. She also inquired as to the Selectmen's reasoning with oversight in reference to the Road Agent. She encouraged all members of the Board to refrain from having any contact with a town employee while acting as a town official. She stated that in her opinion it is the job of the Selectmen to formulate the policy in reference to the disposal of road side ditching material. Selectmen should have a job description for all Highway employees mandating some kind of continuing education. A minimum of 1 (one) day each year. Selectmen should inquire through Local Government Center if in fact, Selectmen can create a job description for an elected Road Agent and do they already have something in place.
22. Selectmen spent time researching the records in reference to Art Holmes. Selectmen will draft a letter in response.
23. Motion by John Hammond to approve the promotion of Corey Stevens to the rank of Sergeant in the Cornish Police Department. Motion seconded by Troy Simino. Motion Carried.
