Dear Sirs and Madams,

The Cornish School District SAU Planning Committee respectfully requests your consideration of the article, below, to create a new SAU planning committee. To date the 2014 SAU Planning Committee has studied SAU#6 administrative structure and services to the Cornish School District, the advisability of a single district SAU, and has begun an advisability study of reorganization with an existing SAU. In order present the Cornish School District with an informed recommendation based on detailed and thorough educational and fiscal analysis, the Planning Committee feels that another year of study is necessary. Please find the proposed warrant article, below, followed by a breakdown of the suggested appropriation.

Proposed article to be placed on the 2015 Cornish School District Warrant

To see if the School District will vote to form a planning committee to study the advisability of withdrawing from SAU6 and pursuing options that could include joining or purchasing services from another SAU, pursuant to RSA 194-C:2 which specifies that the committee will consist of 5 public members appointed by the moderator, 2 School Board members appointed by the School Board, and the Superintendent of Schools as a non-voting member.

And, further, to see if the School District will raise and appropriate the sum of seven hundred fifty dollars (\$750) to meet the expenses of said committee as allowed under RSA 194-C.I.7.

Projected 2015 SAU Committee Expenses

postage	\$	150.00
printing	\$	525.00
public hearing	\$	75.00
Total	\$	750.00

Thank you for your consideration,

Heidi M. Jaarsma
Chair, Cornish School District SAU Planning Committee
