

The Plainfield & Cornish Energy Committees'
RENEWABLE ENERGY EDUCATIONAL SERIES

Electric Tool Showcase

TOOLS & DEVICES THAT DON'T POLLUTE

Learn about the latest & greatest models for indoors & out!

Sunday, June 23, 2019

2:00 - 4:00 PM

Cornish Town Hall

294 Town House Road, Cornish NH 03745

Outside Tools: Lawn mower, chain saw, leaf blower, wood splitter, pressure washer, weed wacker, rototiller, snow blower and more.

Indoor devices: Induction hot plate, water heater, heat pump, and more.

These are battery powered or plug-in devices that can save you energy or replace the noisy smelly gas-powered equivalent.

Transportation: Electric cars & bicycles.

Please join us and take a look!!

Check your email, the town website, or *Next Door* in case of inclement weather:
