

**Cornish Library Exploratory Committee  
Community Outreach Subcommittee  
3 August 2021**

The Friends of the Library were asked to set up a table at the Cornish Fair to gather input for the new Library building project. They accepted, and are setting up a schedule to staff that table. Cornish citizens will have the opportunity to submit ideas, suggestions, and issues. This will be an opportunity to encourage people to attend the Open Forum.

At the August Library Exploratory Committee meeting, a date should be chosen for the Open Forum.

Respectfully submitted,  
Laura Cousineau
