

REPORT TO THE LIBRARY EXPLORATORY COMMITTEE
submitted by the Implementation as a Town Building Subcommittee
August 18, 2021

The Implementation Subcommittee has begun to review documents regarding the George H. Stowell donation. No letter of intent or other form of gift instrument describing the Stowell library donation has been found. Once all available documents have been compiled, they will be forwarded to Charitable Trusts for their review.

With regard to the legal steps for the implementation of the general store as a town building, the subcommittee will draft questions for town counsel based on the written terms of the proposed gift. The subcommittee will seek direction from the Exploratory Committee about point of contact for Town Counsel.

Respectfully submitted,

Dillon Gallagher
Heidi Jaarsma
