

Library Trustee Meeting  
September 30, 2022  
Stowell Library

Present: Laura Cousineau, Kathi Patterson, Stephanie McAndrew, Dano Anderson

A quorum of Stowell Library Trustees met on Friday, September 30, at 1:00 pm at the Stowell Library with Dano Anderson, the rep for School Furnishings of Hudson, NH.

The meeting was a work session during which Mr. Anderson presented his documents that outlined the estimated costs and a proposed design for shelving and furniture for a renovated Stowell Library using the MA+KE Architect schematic design and for the former Cornish General Store building using the Banwell Architect's schematic designs.

Kathi brought a list of the current furniture and shelving in the Stowell Library and explained what would probably need to be part of a *cy pres* petition to the court if the library is moved.

Mr. Anderson's lists were edited and he was going to revise the plans/pricing and send to the trustees.

Respectfully submitted,  
Kathryn Patterson, Library Trustee
