A quorum of Stowell Library Trustees met on **Wednesday, September 7, at 12:30 pm at the Stowell Library** with Dano Anderson, the rep for SchoolFurnishings of Hudson, NH.

The meeting was a work session to discuss soft costs for shelving and furniture for a renovated Stowell Library using the MA+KE Architect schematic design and for the former Cornish General Store building using the Banwell Architect's schematic designs.

Mr. Anderson was given the designs for both buildings, and was asked to include costs for used furniture where possible. There is no cost for his service.

Respectfully submitted,
Kathryn Patterson, Library Trustee
