1. 6:00 pm Call To Order: Corey called the meeting to order at 6:05pm.
2. NRI Cultural, Recreation, Historic Points of Interest Map workshop/All [Maps Work Doc 2023](#). The Commission discussed this map at length and prepared a list of updates and additions. Further detail will be added, and there will be further discussion.
3. Other Business
 - a. Jody noted that a public education on grassland birds/kestrel event might incur a cost. VINS could provide a speaker (to be determined) for \$325 plus mileage for a: presentation, a live kestrel and a walk (either at CREA (using Town Hall for presentation) or Langwood Farm for the walk). April 28, Sunday is the proposed date. Jody would combine the event with a Conservation Notes article. It was noted that the Palmer Fund has ample monies to cover the cost.
 - i. Jody motioned that \$325 + mileage be approved for this event. Cindy seconded the motion and the motion was unanimously approved.
 - b. Kayaking would be a second event to be scheduled for summer, and that might incur a cost.
 - c. Jody will continue to explore the possibility of a public "Owl Prowl" with Suzie Spikol. This event could possibly precede the kestrel event.

5. Next CCC Meeting date Wednesday, March 28, 2024, 7pm
